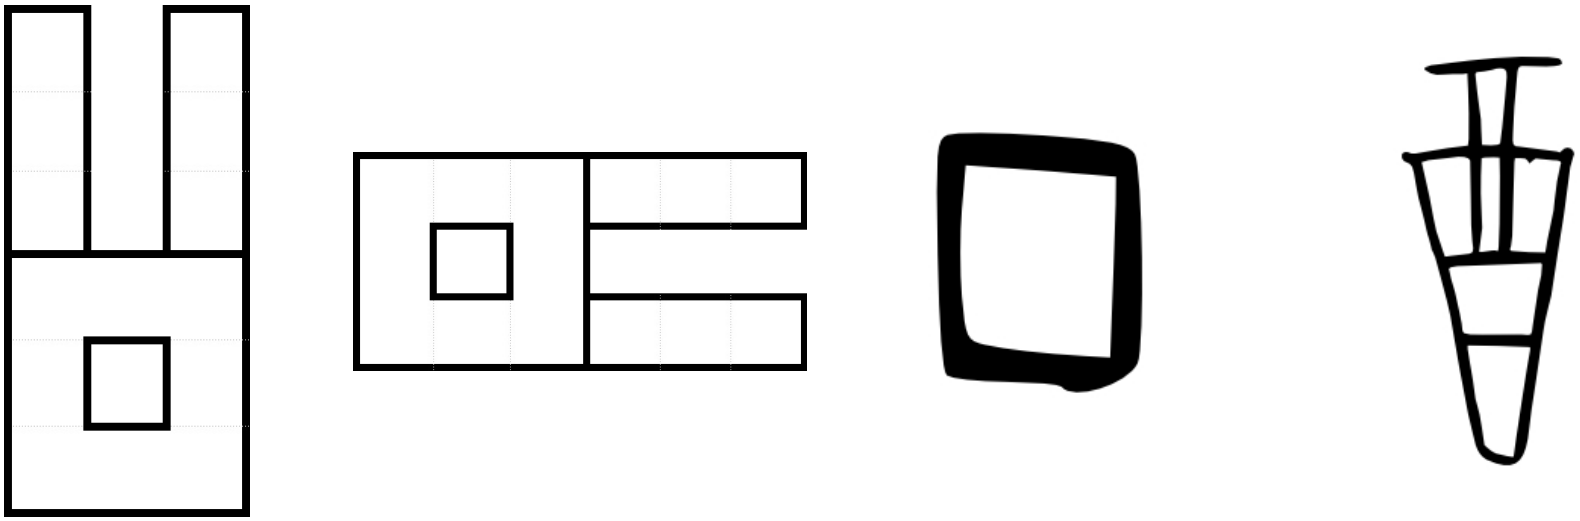
Degree 34 - Sign 36 Shining Ones Own Light



SHINING: SUN, CASTING A SHADOW ON EARTH

When I am light casting, earth yielding;

Then I am sunlight, shining with shadows to offer everyone a tolerant embrace.

Inside, I am gathering into one unity by heaven's leading impulse (with tolerance, embracing with an immense enclosure); and

Outside, I am storing and using the spirit of earth's heavenly yield (reserving light and leaving some things unexamined).
